

The Racial State Week 12

THE ANTI- ISLAMOPHOBIA BUBBLE MAP

A bubble map is a device used for brainstorming.

Watch the 'How it Feels to experience Islamophobia' video.

Create 3 rounds of responses summarised as words in the bubble:

1. What feelings come up for you after watching?
2. What is the political context on Australia/globally that create the conditions for Islamophobia?
3. What actions can we take to fight Islamophobia?
